## Thoughts:

Sunday is the special day of the year that the nation celebrates and honors mothers. This is an incredible time to say thank you and I love you to those special ladies who carried, nurtured, prayed for and loved us.

Someone recently said, Mothers carry their children much longer than 9 months. In fact they carry them in their hearts and live for the entirety of life. Let's pray for and strengthen the hands and hearts of the women who are key participants in our lives and the lives of our churches.

## Personal:

Last Sunday we drove to Sherman for the drive in service. We then watched the evening service on YouTube.

This week has been occupied with some work around the house and work in the office. I had the responsibility of overseeing and uploading the National Day of Prayer material. Deepest thanks to each person who participated. This week as also meant working on the up coming issue of *The Bible Methodist*.

Corporate worship in Durant,  
Wednesday evening.

Melba and I drove to Wisenhunts one afternoon. Bob and Charlene have been very good friends with Melba and her family for many years. Charlene is very low having suffered another stroke and the family is gathering to say goodbye.

Thursday evening we enjoyed gathering with Pastor Snodgrass and the people of the church in Durant.

Sunday we anticipate gathering for worship in a more traditional way again.

Thank you and Lord bless you.
